

DAILY LEDGER

MAYSVILLE REPUBLICAN.

FIFTH YEAR.

MAYSVILLE, KY., MONDAY, AUGUST 10, 1896.

ONE CENT.

Large Circulation
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give away his paper for nothing. He must get something for it. He must get something for it. He must get something for it.

The Continued Calls

upon The Ledger for free notices have been so numerous that we are forced to publish the following terms:

For Notices of Suppliers.

carriage, fair, or other public entertainment where a fee is charged, and for ordinary notices, resolutions of respect, etc. The Ledger will charge five cents a line, and hereafter this will be the invariable rule. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for business notices in The Ledger is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line notice inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—42 times—but he is still in it. When he finds out that he has a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, we "fill" notices with an "X" and hereafter this will be the invariable rule. Let's have a definite agreement at the outset and the termination will be pleasant to all around.

"All matter for publication must be handed in before 9 o'clock in the morning of each day."

HERE AND HERE

Congressman Push opened his campaign Saturday at Quincy.

The Ledger Saturday had a suggestive reference to one of Uncle Sam's Letter Carriers, which would have been all right if the Anna-nias fellow hadn't got in his work on the reporter.

A. T. Barkley, the watchman injured by the explosion at Swift's big packing plant at Kansas City, is supposed to be one of the Barkley's of Lewis county and a nephew of Mr. Henry C. Barkley of this city.

It is surprising the number of people who had despaired of getting Glasses until they tried P. J. Murphy, the Jeweler's system of fitting the eyes, who now see as well as when they were young.

No charge for Glasses until they suit.

C. C. Bickel & Co. cigar makers at Louisville, paid off their hands in Mexican dollars, giving two for one. That is, a man whose wages was \$11 was given \$22 in Mexican dollars. It was an object lesson in free silver that opened the workmen's eyes, and they want no more of it.

The Democrats throughout the county on Saturday chose Delegates to the County Convention which will meet at the Courthouse this afternoon at 4 o'clock, back number time. The latter will select Delegates to the Congressional Convention to be held at the Opera-house on Wednesday.

Did it Ever

occur to you that a Printer who sends you a paper 315 days to the year would like to have his pay on just one of those days?

Mr. Curtis Crane was in Mayville a short time yesterday afternoon. He is the cyclist who has started out to make a run of 10,000 miles in 320 days. He left Chicago 97 days ago and is up-to-date with his mileage, having gone over 5,400 miles. He is also to make his expenses on route, and this he does by selling his photographs. He came in from Lexington and left for Cincinnati.

Mr. J. Harry Richardson of this city and Miss Anna Morford of Covington will be married Wednesday, August 10th. The ceremony will take place in the latter city, the Rev. G. R. Prenger officiating. The bride-elect is a native of Mayville, a daughter of Mr. John R. Morford, and a lady of many charms of person and manner, whose return to this city will be welcomed. Mr. Richardson is among the most exemplary young men of our city, and he is to be congratulated on his choice of a companion for life. Mr. and Mrs. Richardson will at once go to house keeping here.

Six weeks ago I suffered with a very severe cold; was almost unable to speak. My friends all advised me to consult a physician. Noticing Chamberlain's Cough Remedy advertised in The St. Paul Falls Zeitung I procured a bottle, and after taking it a short while was entirely well. I now most heartily recommend this remedy to anyone suffering with a cold. Wm. Kru. 678 Selby Ave., St. Paul, Minn. For sale by J. Jas. Wood, Drugist.

With Nearly Forty Years

Of successful experience in the manufacture of Watch Movements and Watch Cases, and with the mechanical knowledge gained in the construction of special machinery and tools necessary for the manufacture of watches, we have reason to believe that no factory in the world is better able to produce a bicycle of superior design and workmanship. Our machinery is the finest and most modern in existence. Our workmen are trained to a greater degree of accuracy than is usually observed in any bicycle factory. Where is the bicycle factory that is capable of producing a machine made equal to a Dueber-Hampden Watch or machinery required to manufacture same?

These Bicycles, as well as a full line of the Dueber-Hampden Watches, can be seen at

Rev. Lemuel Perord, who shot one man and cut another, went crazy in the Jail at Vanceburg.

Mrs. Laura Vansandell, wife of Mr. Isaac Vansandell, living near Flemingsburg, died this morning at 4 o'clock. Mrs. Vansandell was a daughter of the late Peter Lashbrooke and was a sister of Thomas and James Lashbrooke and Mrs. John Peters of this county. The funeral will be at 9:30 o'clock Wednesday morning. Burial at Flemingsburg.

My little boy, when two years of age, was taken very ill with bloody dux. I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy, and luckily procured part of a bottle. I carefully read the directions and gave it accordingly. He was very low, but slowly and surely he began to improve, gradually recovered, and is now as stout and strong as ever. I feel sure it saved his life. I never can praise the Remedy high enough. I am sorry every one in the world does not know how good it is. As I do—Mrs. Lina S. An awful accident occurred on the C. and O. Railroad Saturday, in which Mrs. Hester Sellers, aged 86, residing between Oneonta and New Richmond station, lost her life. About 12:30 p. m. she, with a six-year-old child, was crossing the twelve-mile bridge, when the Eastbound F. F. V. came thundering along. Mrs. Sellers pushed the child on to one of the abutments and attempted to get out of the way of the train. The engine struck her, however, tearing the top of her skull off and breaking a number of bones in her body, death being instantaneous. The child was saved by her thoughtful friends.

TRUE DEMOCRACY!

As long as there are 7,000 Democrats who have not voted the issue to the fair vote of the People, then 7,000 constitute the Democratic party, though all will in truth say no—Louisville Post.

The former Democratic paper of this city having joined the Populist party, the Ledger, the only sound Money paper now printed in Mayville, cheerfully tenders this column for use of the 7,000-time Jeffersonian Democrats.

W. LARUE THOMAS.

The so-called Democrats and the ring-tailed and bewiskered Populists of this Congressional District held Predict meetings Saturday in the thirteen counties, to size up the man they would nominate for Congress.

Reports from all over the District are favorable to Colonel W. LaRue Thomas of this city.

Several counties have "favorite sons" who will be voted for in the first round, after which it is thought Mr. Thomas will be nominated with a Free Silver whip.

The Convention will meet at the Opera-house in this city on Wednesday.

LAND FRAUDS.

Pittsburghers Lose a Hundred Thousand Dollars.

Over One Hundred Persons Buy Land From J. T. Vansmith.

They Built Homes for Themselves, But Are Now Without Title to Their Property and Are Unable to Pay the Purchase Money.

PITTSBURGH, Pa., Aug. 10.—A land syndicate by which residents of Pittsburgh lost \$100,000, and perhaps more, has come to light. Regulation papers for the arrest of J. T. Vansmith, one of the principals in the fraudulent transaction, have been issued by Judge Porter. Vansmith has been located in Alexandria, Va., and it is expected that his arrest will be effected Saturday.

Not only has the \$100,000 been lost, but over one hundred persons who bought land from Vansmith, and built homes for themselves, are without title to their property and are unable to pay the purchase money. The swindle was held in conception and in execution. Forged and fraudulent deeds and certificates for worthless land it is charged, were exchanged for good Allegheny county land, and the latter was sold or conveyed to local James W. Van Joseph, who traded land in this county worth \$20,000 for worthless deeds. He made information against the men concerned on the other side of the deal. Two of them are supposed to be myths and the other two, it is expected, will be arrested before nightfall. The United States post office inspectors are also working on the case since the mails were sent unsafely in the afternoon.

The land deals, Vansmith, as he is known, came from Chicago, where it is said he had been under suspicion. He at once published alluring advertisements of Chicago lots and California and Washington lands, for which he held the power of attorney to exchange for Allegheny county lands. Vansmith displayed wonderful genius and ere long had unloaded ten lots centrally located in the city, and at Lake View, Cal., and at Seattle, Wash.

The new purchasers have since ascertained that their deeds, certificates, abstracts, etc., are valueless. Vansmith sold or mortgaged his purchases here as rapidly as they were acquired and quietly left the city. The syndicate has been worked up and the principals located by a local detective agency. The agency has also discovered many interesting incidents in connection with Vansmith's life. It is also intimated that a resident of Pittsburgh, of some prominence, is an ally of Vansmith, and he will also be arrested.
